

Case 1

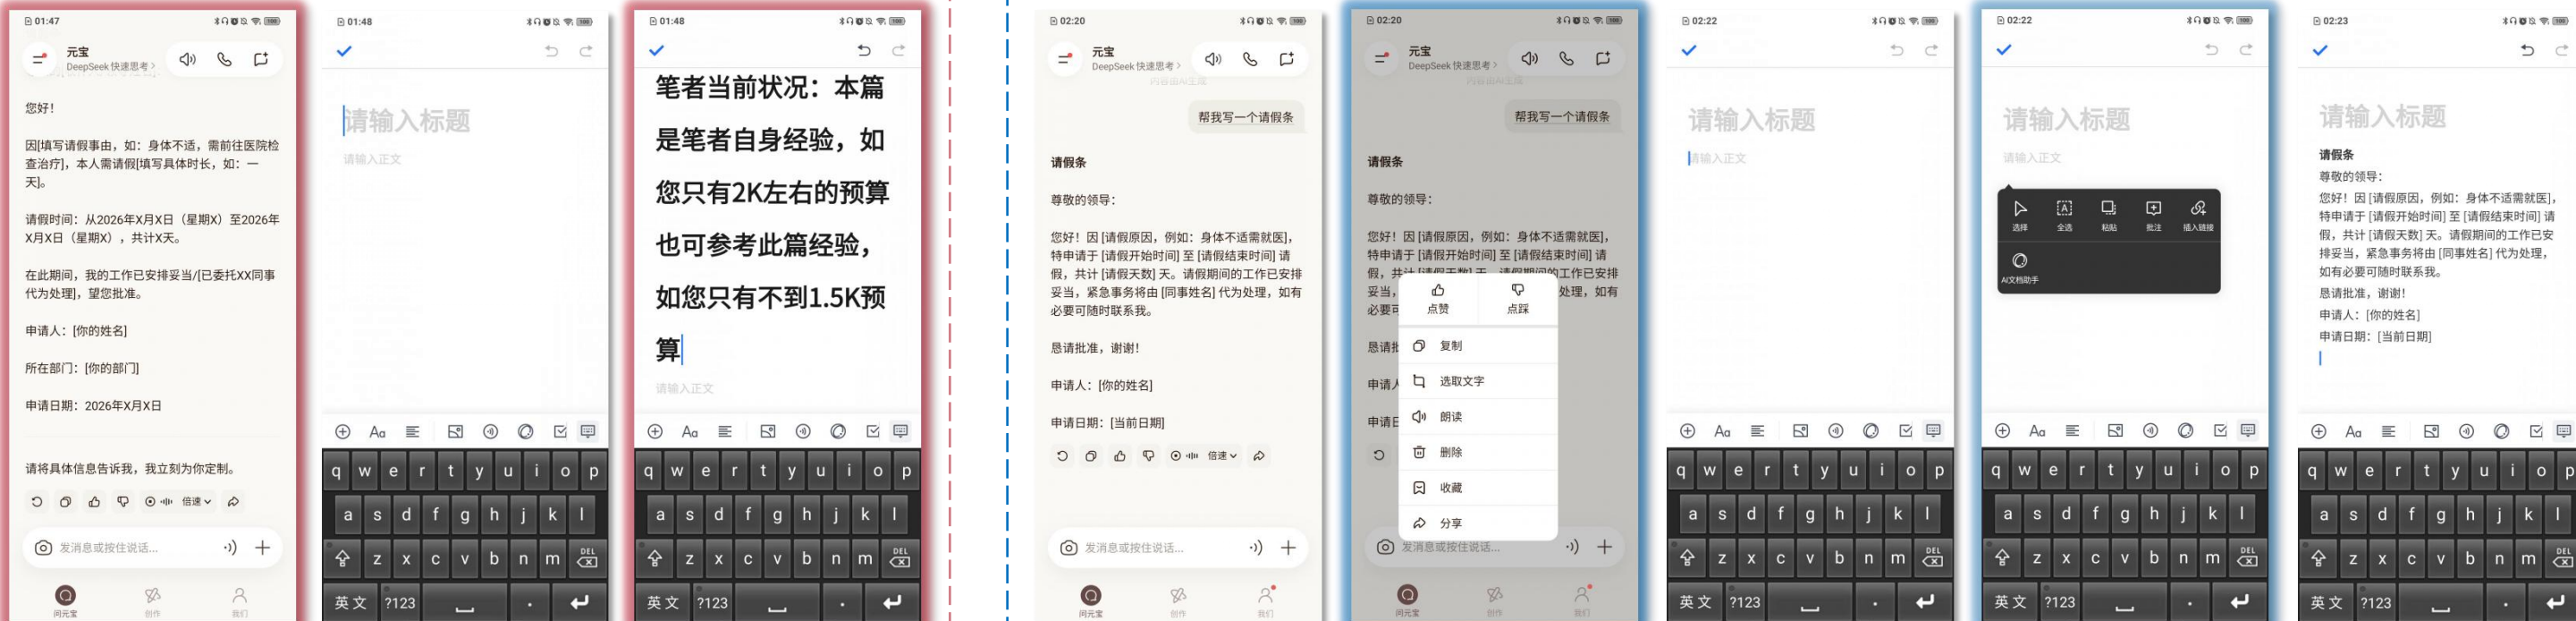

Open the WeChat mini-app Tongcheng Travel and search for budget-friendly hotels near Shanghai Disneyland.

PhoneBuddy-SFT does not filter the hotel prices, while PhoneBuddy-Real+Mock reduces the hotel budget to 150 yuan.

Case 2

Use Yuanbao to generate a leave request note, then create a document in Tencent Docs to save the leave request note.

PhoneBuddy-SFT does not copy the generated content, while PhoneBuddy-Real+Mock pastes the correct leave request content.
